Some house-keeping information

Prices: We do a price match! If you happen to find a lower price anywhere else, let us know and we will try to beat it.

Delivery times for Bakfiets.nl bikes: Bakfiets.nl always try to have models in stock at the factory, and this makes quick delivery possible. If a special colour or a custom design is ordered, the delivery time will be longer. We aim to give you an estimated lead time when you place your order.

What if you want something more specific than the given options? Contact us and we will most likely be able to accommodate your every desire (just so long as it's related to bicycles!)

Shipping: Bakfiets.nl bikes are custom made in Hoogeveen (Neatherlands). Shipping to London is set at £60

Additional accessories, i.e. super powerful lights, child seats, racks, bells, and panniers are all sold separately in our shop.

Bakfiets.nl Cargo Bike Long

With this extended version, there is more space in the box. It can accommodate an extra seat which can take up to 4 children, or two children and a Maxi Cosi. To keep everyone dry in bad weather, a special waterproof rain tent can be added to keep passengers dry. The tent is easy to attach, and has large windows so the kids can see out.
